UNSUBSTANTIATED SPECIES
(Single sighting by a single observer, not documented)

- Northern Fulmar
- Ruddy Turnstone
- Black Turnstone
- Spotted Redshank
- Stilt Sandpiper
- Black-legged Kittiwake
- Mourning Dove
- Common Nighthawk
- Clark's Nutcracker

This list was prepared by Cecily Fritz, Paul Fritz, Nancy Moore, J. Parson, Bob Sartor, Charlotte Sartor and Bob Winckler, members Mat-Su Birders, a local birding club. To contact Mat-Su Birders send e-mail to: msbirder@mtaonline.net. To report a bird observation contact the Alaska Birding Group at: <http://groups.yahoo.com/group/akbirding> or call the Upper Cook Inlet Bird Hotline at: (907) 338-2473.

Many additional individuals provided needed assistance in reviewing this list. Regretfully, those persons number too many to name in this limited space. Special thanks to Michael Bronson, compiler and editor of the original *Checklist of Birds of the Palmer Area* in 1984 with subsequent editions through 1993. His work served as our inspiration. Also, R. L. Scher for bravely giving us access to his vast Upper Cook Inlet Bird Sightings Records in support of this project.
